The screenshot shows the Coursera interface for the Google AI Essentials course. At the top, there are navigation links for 'Data Science' and 'Machine Learning', and a 'Save' button. The course title 'Google AI Essentials' is prominently displayed, along with a 'Go To Course' button and an 'Assign this course' link. Below the title, it states 'Sponsored by GCC Community 13' and '605,228 already enrolled'. On the right, it mentions the instructor 'Google Career Certificates' as a 'Top Instructor'. At the bottom, a summary box provides key details: a 4.7 star rating from 3,915 reviews, a 'Beginner level' with no prior experience required, '10 hours to complete' (3 weeks at 3 hours a week), and a 'Flexible schedule' to learn at your own pace.

Chọn **Get started** và bắt đầu học

BẤM GET STARTED ĐỂ BẮT ĐẦU HỌC

Để theo dõi tiến độ học, chọn **My Learning** ở trang chủ. Sau đó chọn **Resume** để tiếp tục học.

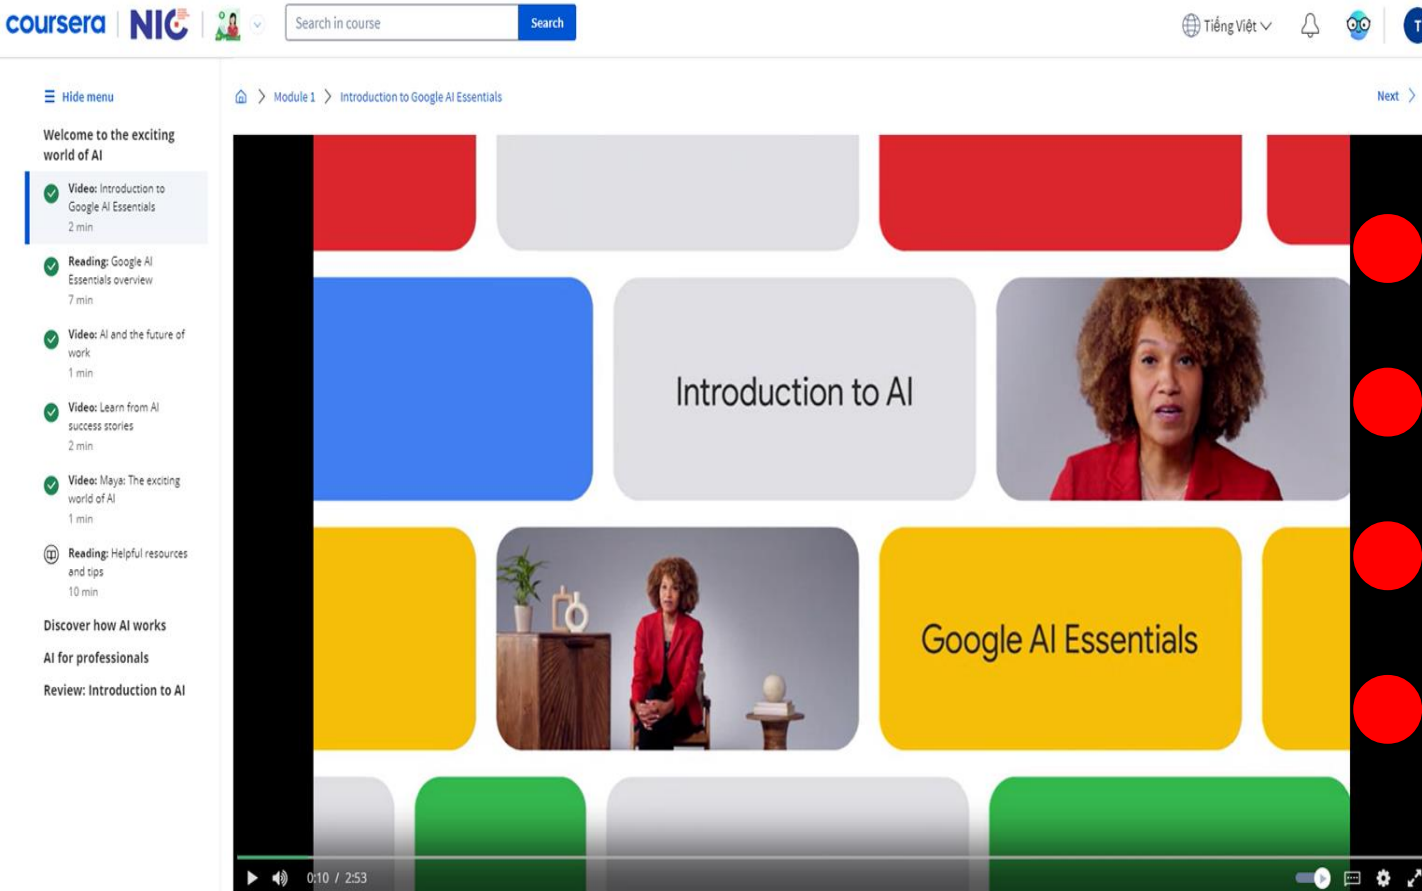

The screenshot shows the Google Learning Program interface. At the top, there is a search bar with the text "Search Coursera for Google Learning Program". Below the search bar, there are three tabs: "Find your New Career", "Home", and "My Learning". The "My Learning" tab is selected and highlighted with a red circle. Below the tabs, the text "My Google Learning Program Learning" is displayed. Underneath, there are three buttons: "In Progress", "Saved", and "Completed". The "In Progress" button is selected. Below the buttons, the text "My courses" is displayed. The first course listed is "Google Cybersecurity" by Google. It has a description: "Prepare for a new career in the high-growth field of cybersecurity, no degree or experience required. Get professional training designed and delivered by subject matter experts at Google and have the opportunity to connect with top employers. Organizations must continuously protect themselves and the people they serve from cyber-related threats, like fraud and phishing. They rely on cybersecurity to maintain the confidentiality, integrity, and availability of their internal systems and information. Cybersecurity analysts use a collection of methods and technologies to safeguard against threats and". Below the description, there is a "More" link and a progress bar showing 8 courses, with the first course selected. The second course listed is "Foundations of Cybersecurity". It has a "Started" status, a progress bar showing 0% progress, and a "Resume" button. The "Resume" button is highlighted with a red circle. The text "Week 1 of 4" is also visible next to the "Resume" button. The text "Ends on Apr 29, 2024" is displayed at the bottom right of the course card.

để xác nhận thông tin**

BƯỚC 4: CHANGE NAME

- Cài đặt *First Name, Middle Name, Last Name*

- Click vào nút xác nhận

- *Submit*

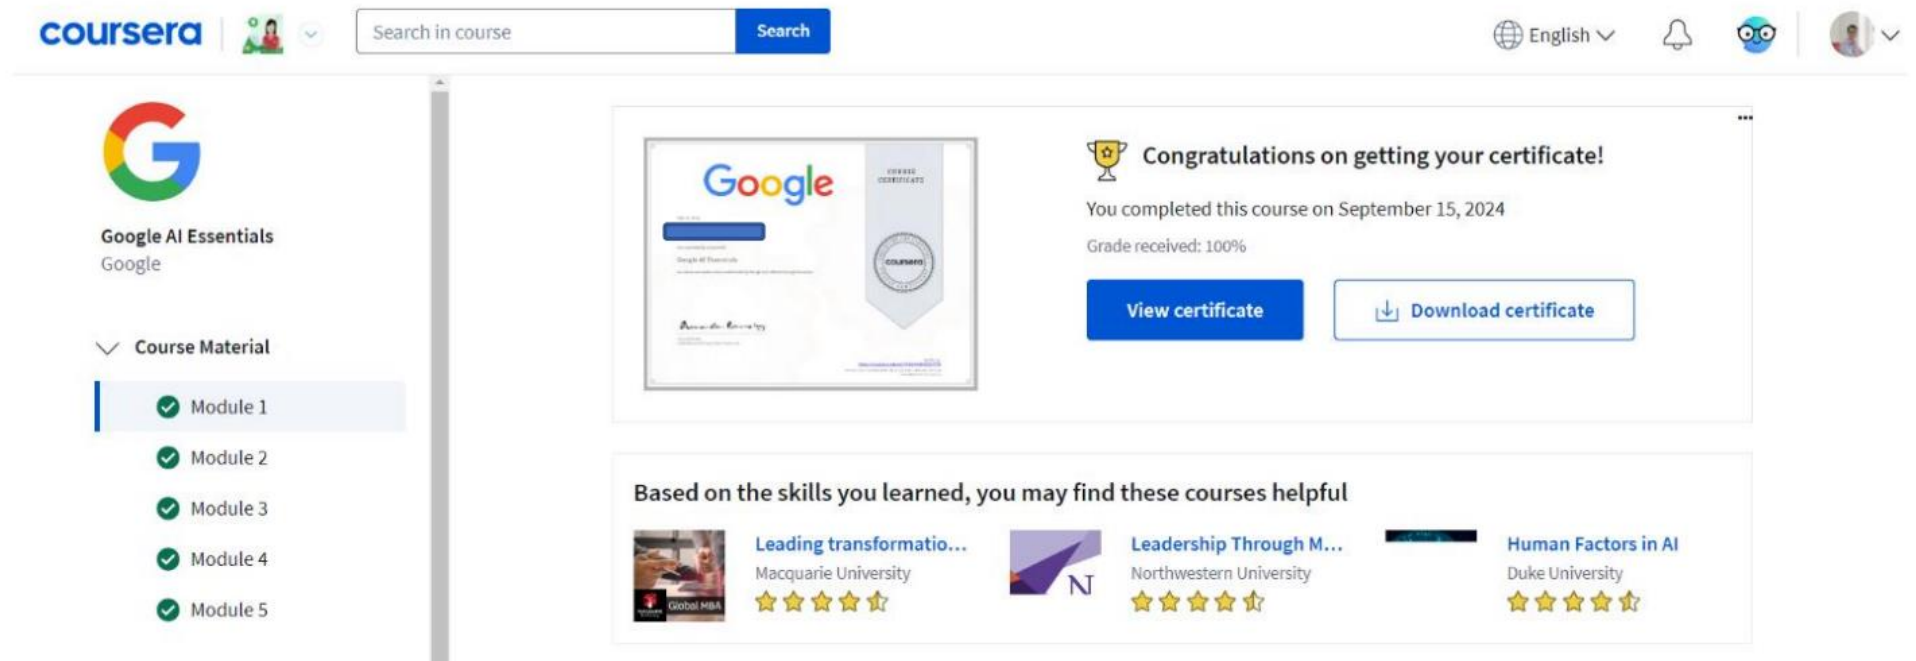

The screenshot shows the Coursera user interface for a 'Name Change Request'. At the top, there is a navigation bar with tabs for 'For Individuals', 'For Businesses', 'For Universities', and 'For Governments'. Below this is a search bar with the text 'Search Coursera for NIC X VLU' and a search icon. To the right of the search bar are links for 'English', a notification bell, and a user profile icon. The main content area is titled 'Name Change Request' and includes a sub-header 'Enter your real name. This is the name that will appear on your certificates. We may contact you to verify your identity, so please make sure this matches the name on your government-issued ID.' Below this, there are three input fields labeled 'FIRST NAME', 'MIDDLE NAME (OPTIONAL)', and 'LAST NAME'. At the bottom right of the form is a blue 'Submit' button.

First Name: Ghi họ/ Middle Name: Ghi tên đệm/ Last Name: Ghi tên

Khi ra chứng nhận sẽ là ĐẦY ĐỦ HỌ TÊN

BƯỚC 5: CHECK CHỨNG NHẬN

The screenshot shows the Coursera interface for the 'Google AI Essentials' course. The top navigation bar includes the Coursera logo, a search bar, and user profile options. The left sidebar lists the course material, with 'Module 1' through 'Module 5' all marked as completed with green checkmarks. The main content area displays a congratulatory message: 'Congratulations on getting your certificate! You completed this course on September 15, 2024. Grade received: 100%'. Below this message are two buttons: 'View certificate' and 'Download certificate'. A preview of the certificate is shown on the left. At the bottom, a section titled 'Based on the skills you learned, you may find these courses helpful' recommends three courses: 'Leading transformation' by Macquarie University, 'Leadership Through M...' by Northwestern University, and 'Human Factors in AI' by Duke University, each with a star rating.
